AAA SPRING PROGRAM

WHAT ARE WE?

Pilot Mound Hockey Academy runs AAA Spring Hockey Programs that will provide an opportunity for players in a variety of different age groups to play higher-caliber hockey against teams across North America. We are focused on player development and preparing athletes for elite-level hockey.

Our PMHA Prep coaches are affiliate head coaches to our AAA Spring Programs with current PMHA players participating in local practices as mentors.

AAA SPRING PROGRAM

TIME FRAME:

The program begins at the start of spring with optional development skates held throughout the year.

Our Spring Program will be finished by May 31st to enable athletes to focus on other sports and summer activities.
